

# APRIL 23, 2022

## WHAT IS IT?

The inaugural Big Green Event will serve Delta State and the Cleveland area in a Big Green Community Service Project! Could your organization use a few extra hands cleaning, refreshing, and giving back to the community? Are there any environmental projects you'd like to see completed in the Cleveland area?

## MISSION

The Student Government Association and student organizations of Delta State University are committed to service and citizenship in our local community. Students at Delta State University are interested in making a difference in the community, and that starts with the Big Green Event. On April 23, 2022, DSU Students who are dedicated to helping others will complete a campus and Cleveland community service day, including clean-ups, yardwork, painting, repairs, and waste pick-ups.

## OUR GOAL

Our goal for the inaugural Big Green Event is to get 200 committed students to contribute positively to serving and improving our community.
