

Region III Upper Mississippi Science and Engineering Fair
February 23, 2022

Region III Upper (7th-12th Grade) Winners

Class 3 Category 100: Behavioral & Social Science

3rd place: Markecia Akins from O M McNair Middle School

2nd place: Jehmal Scott from O M McNair Middle School

1st place: Kierston Clincy and Emaia Jenkins from O M McNair Middle School

Class 3 Category 200: Biochemistry

1st place: Janyla Winston from T L Weston Middle School

Class 3 Category 300: Inorganic Chemistry

3rd place: Destiny Ball from O M McNair Middle School

2nd place: Willie James from O M McNair Middle School

1st place: Varo Robinson from Cleveland Central Middle School

Class 3 Category 400: Organic Chemistry

3rd place: Taniah Brooks from O M McNair Middle School

2nd place: Prendarius Ashford from O M McNair Middle School

1st place: Cobi Evans from O M McNair Middle School

Class 3 Category 500: Earth and Environmental Science

3rd place: Tamiya Fairley from O M McNair Middle School

2nd place: Isaiah Ingram from O M McNair Middle School

1st place: Baruni Jakkula from T L Weston Middle School

Class 3 Category 700: Biomedical and Health Science

3rd place: Jaylah Jones and Phoenix Bronson from O M McNair Middle School

2nd place: Jakiya Puckett from O M McNair Middle School

1st place: Charles Brown from O M McNair Middle School

Class 3 Category 900: Physics and Astronomy

3rd place: Kaleb McMillian and O’Rhyun Lang from O M McNair Middle School

2nd place: Kenderius Hooker and Tykerrius Coleman from O M McNair Middle School

1st place: Larjaveon Edwards from O M McNair Middle School

Class 3 Category 1000: Engineering Mechanics

1st Place: Isaac Simmons from T L Weston Middle School

Class 3 Category 1300: Plant Sciences

1st place: Kaniya Cotton from O M McNair Middle School

Class 4 Category 200: Biochemistry

2nd place: Jada Clay from Holmes County Central High School

1st place: Jimidria Harvey from Greenwood High School

Class 4 Category 300: Inorganic Chemistry

1st place: Mikiah Hodges from Holmes County Central High School

Class 4 Category 400: Organic Chemistry

3rd place: Zyionn Holmes from Humphreys County High School

2nd place: Carlysia McClinton from Humphreys County High School

1st place: Star Brown from Humphreys County High School

Class 4 Category 500: Earth and Environmental Science

2nd place: Shenyla Love from Humphreys County High School

1st place: Junran Zhou from Homeschool

Class 4 Category 700: Biomedical and Health Sciences

3rd place: Destiny Davis from Humphreys County High School

2nd place: Judy Hung from Humphreys County High School

1st Place: Chakiya McKenzie from Humphreys County High School

Class 4 Category 800: Microbiology

2nd place: Daja Robinson from Humphreys County High School

1st place: Samara Little from Humphreys County High School

Class 4 **Category 1000: Engineering Mechanics**

2nd place: Alexis Howard from Humphreys County High School

1st place: Rushyendranath Reddy Nalamalapu from Cleveland Central High School

Class 4 **Category 1100: Mathematics and Systems Software**

1st place: Nikayah Moore from Holmes County Central High School

Class 4 **Category 1300: Plant Science**

1st place: Deundra Wilson from Holmes County Central High School

Class 5 **Category 100: Behavioral and Social Science**

1st place: Dia Kher from MSMS

Class 5 **Category 500: Earth and Environmental Science**

2nd place: Destynee Hemphill from Holmes County Central High School

1st place: Danielle McCline from Holmes County Central High School

Class 5 **Category 900: Physics and Astronomy**

1st place: Hailee Sexton and Stephanie Ressel from MSMS

Class 5 **Category 1100: Mathematics and Systems Software**

1st place: Undrial Space from Holmes County Central High School

Class 5 **Category 1300: Plant Science**

1st place: Kamile Buchanan from Holmes County Central High School
